

MAP OF MOUNT WASHINGTON / DUQUESNE HEIGHTS

Mount Washington and Duquesne Heights together covers a lot of territory with nearly 13,000 residents and can be challenging to see all in one day. This highlighted area is provided as a starting point in which to capture the "Beyond the View" theme, however, feel free to wander outside and discover some other areas of the community for yourself.

Just East of Shiloh Street is a quaint cobblestone street called Wyoming with beautiful Victorian area homes. Virginia Avenue to the South offers commercial interest, as well as a gateway into the historic Chatham Village grounds and neighboring Olympia Park. The tree lined streets running perpendicular to Grandview Avenue consist of charming early 20th homes with great curb appeal. Grandview Avenue is home to luxury residences, colorful gardens, and St. Mary of the Mount Catholic Church. Enjoy!

Beyond the View...

Mount Washington and Duquesne Heights are so much more than the view from Grandview Ave.

A thriving business district, (Shiloh Street, Virginia Ave, Southern Ave, Boggs and Bailey Aves.) provides restaurants, groceries, banking, tanning, ice cream, pizza, specialty beers, dry cleaning and many others services for residents and visitors alike. The parks provide recreation such as basketball courts, soccer fields, football and baseball fields, swimming, places to fly kites, and walking trails. The purpose of the walk is to show the area "beyond the view" and capture what life is like in these unique neighborhoods.

Submission of photos

You can submit up to five (5) photos via email to gpanza@mwcdc.org. Please send the photos in 8x10 format. Please "name" each photo with your email name and entry number, e.g. "johnsmith@aol.com02", so that we can easily identify the photo and contact you. The photos **MUST** be taken these two days, 10-3-2009 and/or 10-4-2009. Every photo submitted will be shown in a slide show on Light Up Night on November, 20, 2009, on Shiloh Street. From the submissions, a number of photos will be selected to be displayed at the light up night exhibition the same evening. **If contacted by the MWCDC, please submit your printed 8x10 photo to the MWCDC at 301 Shiloh Street, Pgh. PA 15211 before November 15, 2009.** A group of judges will determine the winners of the "Beyond the View" photo contest. A few prizes will be awarded based on the judges decision. Up to 10 of the photos will be used to create a Mount Washington calendar that will be available for sale as a fundraiser for the Mount Washington Community Development Corporation on www.vuplus.org and will have rights to all photos submitted with a photo credit.

Light-Up Night Gallery Show

Light Up Night in Mount Washington has always been a destination as the place to admire the City's skyline glowing in all its splendor. This year will be the 3rd annual Light Up Night celebration that takes place along Shiloh Street. The business district is humming with activity and several business decorate their store fronts and offer unique holiday specials. This is a family friendly event with a tree trimming, costumed characters, musical performances, and an indoor art show that takes place in an a featured available space.

The Flickr walk contest winners and runners up will be displayed at the gallery show as well as a slide-show displaying a melody of many of the submitted photos. Details regarding contest winners, times and locations will be communicated via email as well as posted on www.vuplus.org in November.
